

THE BILLERICAY SCHOOL

---

CARING ABOUT SUCCESS

13 September 2022

Dear Parent/Carer,

**Re: Open Events 2022**

This September, we are delighted to once again be able to host our traditional Open Evening and Open Morning events for prospective students.

Our Open evening will be held on **Thursday 22 September** from 5.00pm – 8.00pm and we anticipate in excess of 600 visitors to be in attendance. In order to facilitate this event, on this day we will be closing the school to students following Period 3 (12.15 pm). This will allow staff the time required to prepare the site and their subject areas for various evening presentations.

The next morning, staff will be on site to restore their subject areas, ready for a day of learning. Once again, in order to accommodate this, we will be asking students to arrive for Period 2 on Friday 23 September (09.50am), where they will be registered in class.

For both the Thursday early finish and the Friday late start, the NIBS bus service will be altered to accommodate these new timings.

The following week, our Open Morning programme will run from Monday 26 September, through to Tuesday 4 October, giving parents and carers the opportunity to see our school during a typical day.

These open events are a wonderful opportunity for our students in Years 8, 12 and our Year 11 prefects to talk to new parents and carers about their time at the school. We firmly believe that our students are our greatest ambassadors and we look forward to hearing them share their experiences. Students who are involved in both the Open Evening and Open Mornings will be notified directly and I would like to thank them all in advance for giving up their time for these events.

With thanks for your continued support.

Yours sincerely

Mr P Berry  
Headteacher, BA (Hons)
