

9778 Pre-U Mandarin Chinese: Minimum Core Vocabulary

LIST OF CORE VOCABULARY for examination in 2019, 2020 & 2021 including vocabulary for Principal Subject topic areas

The core vocabulary is provided to guide teachers and candidates in their preparation for the Pre-U Mandarin Chinese Principal course 9778.

The list includes additional vocabulary for the Principal Course Topic Areas:

For examination in 2019, 2020 & 2021

The media

Work and leisure

Equality of opportunity [for 2019]

The topic area *Equality of opportunity* has replaced *The environment* for 2019. There are no other updates to the core vocabulary. The vocabulary for *The environment* has been added to the vocabulary list for past Principal Subject topic areas, also provided here.

By the end of the course of study leading to Pre-U Mandarin Chinese, students will recognise all characters listed below. They should also be able to recognise these characters as part of different compounds. Additional characters may appear on the question papers but will not be tested explicitly. Where there is a need to include any additional characters essential to the answering of a question, these will be glossed in English.
