

In the event that individual students are not attending school and are able to complete work, these are the **core topics** being covered by each subject each half term and the relevant links to learning materials to use.

Subject: History Year: 11

In the first instance, please check your Google Classroom as your teacher will try to post activities there. We have explained to you that we are revising the course in 2 week blocks (that are set out below). Multiple choice quizzes will be set on google classroom for your completion in the first week and in the second week you will be completing a variety of exam questions.

The booklets we use have been posted on Google Classroom and they can also be found in the L drive ([L:\History\Year 9, 10 and 11\7 Textbooks](#)).

If your teacher can't post the practice exam question on Google Classroom, then there is a range of practice exam questions to have a go at on the L drive ([L:\History\Year 9, 10 and 11\1 Lesson Resources](#)).

If all else fails, use the document below to work out what topic to revise and spend your time creating revision resources.
