

Year 11 Health and Social Care Diploma Summer Task

As an introduction to Health and Social Care Diploma, you need to complete the tasks below.

1. You need to write a minimum one page written document about your skills, experience and knowledge.

You need to have the following headings:

Knowledge: what factual information you are aware of, current affairs, subject knowledge

Skills: reading, organisation, ability to perform practical activities etc. What are you good at?

Experiences: work experience, responsibilities, certificates

Targets: What skills or knowledge would you like to develop over the next 2 years?

Career Aspirations: Where do you want to be in 3, 5 or 10 years' time? What type of career do you want?

2. As part of the course, you need to be good at conducting research. Find an article that interests you linked to health and social care. Use newspaper websites to find the information. The article could be on various topics such as alcohol, obesity, drugs, NHS. Read the article and print it off. Bring the article to the lesson as we will discuss it as part of the lesson.

You must complete these tasks in order to start the course.
