

## Subject: Hair & Beauty

### Vision

Our vision is to provide our students with a solid foundation of knowledge and understanding to prepare them for a career in the health and beauty sector. We have chosen a qualification that covers a wide range of industry specific topics which will give our students breadth of experience that they can use in level 2. We aim to make the course as practical as possible and this may enable them to specialise in either hair or beauty by the end of the course. This course will help equip them with the necessary customer and interpersonal skills needed for industry and how to present a professional image.

Key Stage	Learning content
Years 10 & 11	<p>We have a fully functional and fully equipped on-site Hair and Beauty salon, which is available from Year 10 for students wishing to gain an Introduction to the Hair and Beauty Sector at Diploma level 1. This has 9 mandatory credits and 32 optional credits across the two year course. The salon includes reception area, 12 student's stations, beauty therapy tables for our facials and a brand new nail bar for our manicure unit.</p> <p>There are units relate specifically to the industry such as working with others, receptionist duties, professional image and health and safety. Students will also cover a wide range of practical services from within the Hair and Beauty industry including manicure, nail art, facials and skin care, professional make-up application, styling women's hair plus much more.</p> <p>Students will also get the opportunity to visit local salons and even attend the leading industry event Salon International (Covid-permitting) in London to get a better understanding of how it feels to work in the Hair and Beauty Industry and look at possible career opportunities.</p>
